

AUDIO LICENSE CERTIFICATE

This audio pack contains multiple sound effects, ambience, voice recordings, and other audio files provided under a Royalty-Free License.

You are allowed to:

- Use the included audio files in personal and commercial projects
- Use them in games, applications, videos, films, animations and other interactive audiovisual media
- Modify, edit, mix, process and adapt the audio files as needed

You are NOT required to:

- Provide attribution or credit the author

You are NOT allowed to:

- Resell, sublicense, or redistribute any of the audio files as standalone files
- Distribute the audio files as part of another sound effects pack, audio library, stock collection or similar product
- Claim authorship or ownership of the original audio files

Important

This license applies to all audio files included in this pack.

You may use the audio files only as part of a larger project (e.g., a game, application, video, film, or animation).

Ownership

All rights to the original audio files remain with ithappy studios:

Email: support@ithappystudios.com
